

Only
\$39

One \$39 Teacher Login gives you a year's access to the whole program for class activities and lets you follow your students' progress through the free sections.

Colourful and engaging, The Mighty Maestro is a great way to learn the basics of music theory.

Helping Students Play Better Together

Playing together can be a daunting prospect for students. The Mighty Maestro gently guides users through the basics of music theory, helping them get to grips with the ideas involved. The result is that their individual play improves and they sound better as a group.

Note the Value (free)

Free and Paid Logins

- Anyone can set up a Free Student Login and complete the first 5 activities free of charge.
- Full Student Logins are available from \$5 per student. Logins last for 12 months.
- Teachers can monitor progress of all students with a single Teacher Login, priced at \$39. This also gives you access to the whole program for class activities.

Teacher Console

The console allows you to monitor student progress, change usernames and passwords, create classes and Group IDs, invite other teachers to become administrators, email details to parents and much more.

You may create a free Console Account at any time.
